How it Works

- 1 **LHA** loosens only the dead, aged cells sitting on the skin surface.
- 2 A patented olive-oil carrier releases actives slowly, keeping irritation low.
- 3 Probiotics and brightening nutrients are delivered at the same time.
- 4 Skin renews naturally and collagen is encouraged — pores look cleaner, texture smoother.

Key Ingredients

Unclogs pores & dissolves oil, blackheads and dead skin

Patented olive & coconut complex — gentle and barrier-repairing

Probiotic care that balances the skin microbiome & calms redness

Brightens dullness; helps fade acne marks & pigmentation
